Some notations about the series of lighted buildings & accessories based on the movie *A Christmas Story*.

- Department 56 has created a "Village" series based on the popular movie *A Christmas Story*. Our artists envisioned a grouping of buildings and accessories that tell a story.
- Although not all items are currently in production, no items have been discontinued. The item may or may not be produced again in the future. Announcements about specific buildings will be made on a year-by-year basis.
- This history list reflect information regarding the light buildings and coordinating accessories that is currently available and is accurate to the best of our ability.
- Some items are, and have been in the past, available exclusively through Sears department stores and RedRider.com.
